Fazlay Elahi Rafi

CSE Student

HERE'S MY STORY:

I'm a React developer and CSE student. As a motivated and eager software developer with 1.5 years of working skills in ReactJS, I am excited to apply for an internship in your esteemed organization.I have a good understanding of front-end development, especially in Javascript, SASS, Bootstrap andTailwindCss. I'm very dedicating and hardworking, I can be a good resource for your company.
